 - How does technology increase noise pollution?
3. Translate into Urdu OR rewrite in simple English any TWO of the following paragraphs: 08
- Arabia is the land of unparalleled charm and beauty, with its trackless deserts of sand dunes in the dazzling rays of the tropical sun. Its starry sky has excited the imagination of poets and travellers. It was in this land that the Rasool (ﷺ) was born, in the city of Makkah, which is about fifty miles from the Red Sea.
 - The most important element in the interior of the masjid is the mehrab, which is made of finely carved marble. To the right of the mehrab is a richly decorated pulpit. The masjid is so designed that even when it is most crowded, everyone in the masjid can listen to and look at the Imam.
 - Another source of noise pollution in urban areas is the work on construction sites. Construction work in urban areas is usually slow and time-consuming. The use of transport and equipment at construction sites, its grilling and piercing sound is a big source of noise pollution. It not only disturbs the general public but also affects the construction workers by causing mental fatigue.
4. Write the summary of the poem "Daffodils" by William Wordsworth. OR 05

Write a dialogue between a teacher and a student.
7. Read the following passage carefully and answer the questions given at the end: 10
A man is known by the company he keeps. A good student should avoid the company of those who keep playing all the time. Many students miss their classes and seldom do their homework because their fellow students do the same. There are hardworking students also who work while others play. They know when to study and when to play. They play when it is time to play. They enjoy the games of their choice because they know that playing games is essential for health. A sick student is not so quick in learning his lesson as is a healthy one.
- Questions:
- What kind of company should a good student keep? (ii) Why do some students miss their classes? (iii) Why do good students enjoy good health? (iv) Why are games necessary for students? (v) Where does the success of a student lie?
